The morning game at Burlington yeaterday was an easy matter for Barre-Montpelier, "Jim" Wherry, whose curves were well received by Burlington the day before, went into the box for the Intercity and an enigma to the Queen City stickers, they getting but three hits. At the same time the league leaders were slamming McNamara's curves quite freely. The score was 6 to 0.

CUTICURA CURES IN TWO WEEKS AT COST OF 75c.

"I feel it my duty to parents of other poor suffering babies to tell you what Cutioura has done for my little daughter. She broke out all over her body with a humor, and we used everything recommended, but without results. I called in three doctors, they all claimed they could help her, but she continued to grow worse. Her body was a mass of wores, and her little face was being eaten away. Her ears looked as if they would drop off. Neighbors advised me to get Cuticura Soap and Ointment, and before I had used half of the cake of Soap and box of Ointment the sores had all healed, and my little one's face and body were as clear as a new-born babe'a. I would not be without it again if it cost five dollars, instead of seventy-five cents, which is all it cost us to cure our baby, after spending many dollars on doctors and medicines without any benefit whatever.
